Dear Candidate, the following are the rules that you should follow to be a successful nominee.

1. You must collect 10 signatures from Computer Science students. For this purpose, there is a petition sheet attached. You should try to get more signatures, in case some are invalid and are not counted. *NOTE:* for Soft. Eng Rep, only 5 signatures need to be collected.
2. The signer's name, student ID number, faculty and program year must accompany each signature.
3. You must submit the completed package to the CRO at the *Candidate's Meeting* on Wednesday, March 31, 2008 at 5h30PM. Late entries cannot be accepted.
4. You (or your representative, with a signed note from yourself) must attend the *Candidate's Meeting* on Wednesday, March 31, 2008 at 5h30PM (in Trottier 1060).
5. All candidates should keep in mind that if you go on an Internship during your term of office, you must resign from your position on council.
6. All candidates have the right to pen a brief outline about themselves, their qualifications and the ideas that they will bring to the position being sought. This information will be posted at all polling locations during voting days, and in Trottier 1060 during the campaigning period. Your text may not exceed one hundred words in length; excess words will be cut. It should be e-mailed to the CRO. You can also attach a passport-size photo of yourself to the email; the photo will appear on the pen sketches. The picture should be in JPEG format, and may not exceed 300KBytes.

Please note the deadline for submitting the completed nomination petition. Voting will take place on Monday, April 7, 2008 and Tuesday, April 8, 2008.

All candidates are encouraged to view the CSUS constitution at:
