

Post-test questionnaire

Computer prototype

* Required

1. Please rate your overall satisfaction of the application. *

Mark only one oval.

	1	2	3	4	5	
Unsatisfied	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	Satisfied

2. I understand all the app's features *

Mark only one oval.

	1	2	3	4	5	
Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	Agree

3. I think this application improves student-instructor interaction. *

Mark only one oval.

	1	2	3	4	5	
Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	Agree

4. I think this application improves student-student interaction. *

Mark only one oval.

	1	2	3	4	5	
Disagree	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Agree

5. I feel that this application would be distracting during a lecture. *

Mark only one oval.

	1	2	3	4	5	
Disagree	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Agree

6. I'll use this application again after it is developed. *

Mark only one oval.

	1	2	3	4	5	
Highly Unlikely	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	Highly Likely

7. Suggestions/Improvements:

I don't see the purpose if I would just use messenger. Every class I know people already. Same amount of distraction as social media tools. Needs to be more features. Predefined filters by instructor could be used to add organization. Reminds me a bit of a general slack channel.
