## WORK EXPERIENCE

---

Atempo

Feb 2008 — Feb 2008

*Intern (Stagiaire)*

**Atempo** is a backup software company specialized in *laptop backup solutions*.

I split my work experience in two:

First part, I assisted in finding contacts of potential clients to look at the communication side of the enterprise.

The following week, I worked with the development team to report their different tasks, summarizing their progress to the management.
