McGILL DRAMA FESTIVAL POSTER SERIES

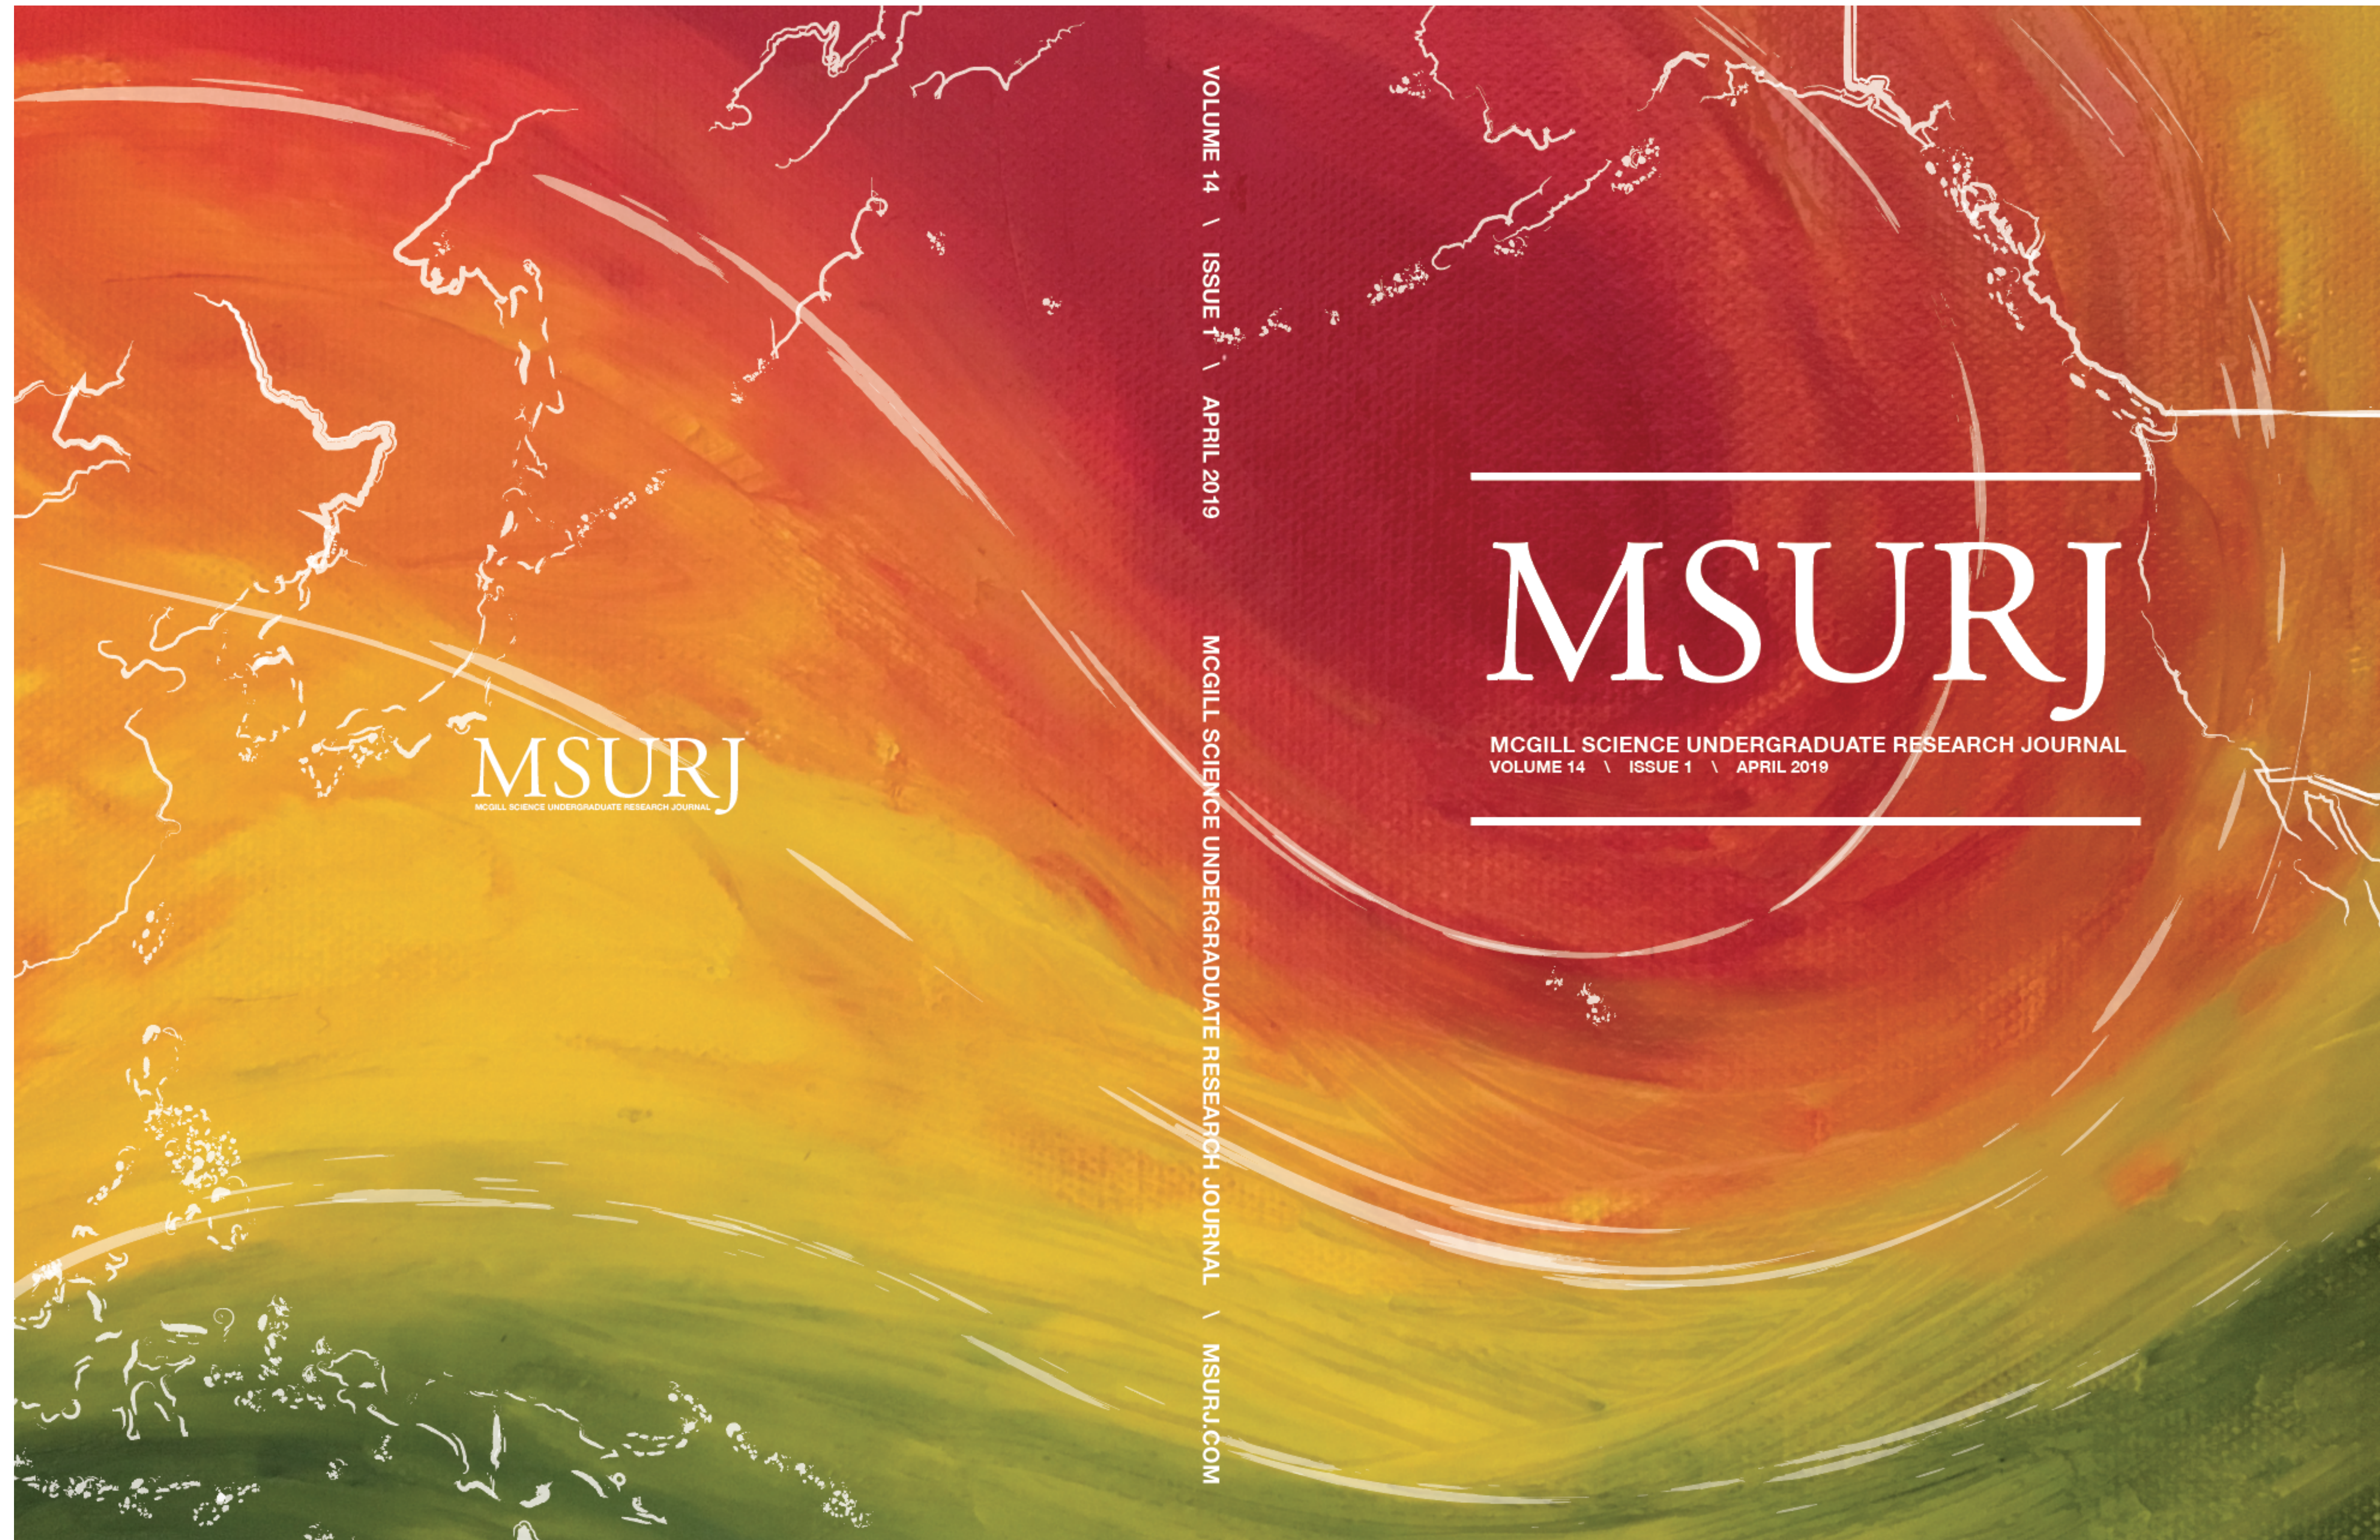

posters

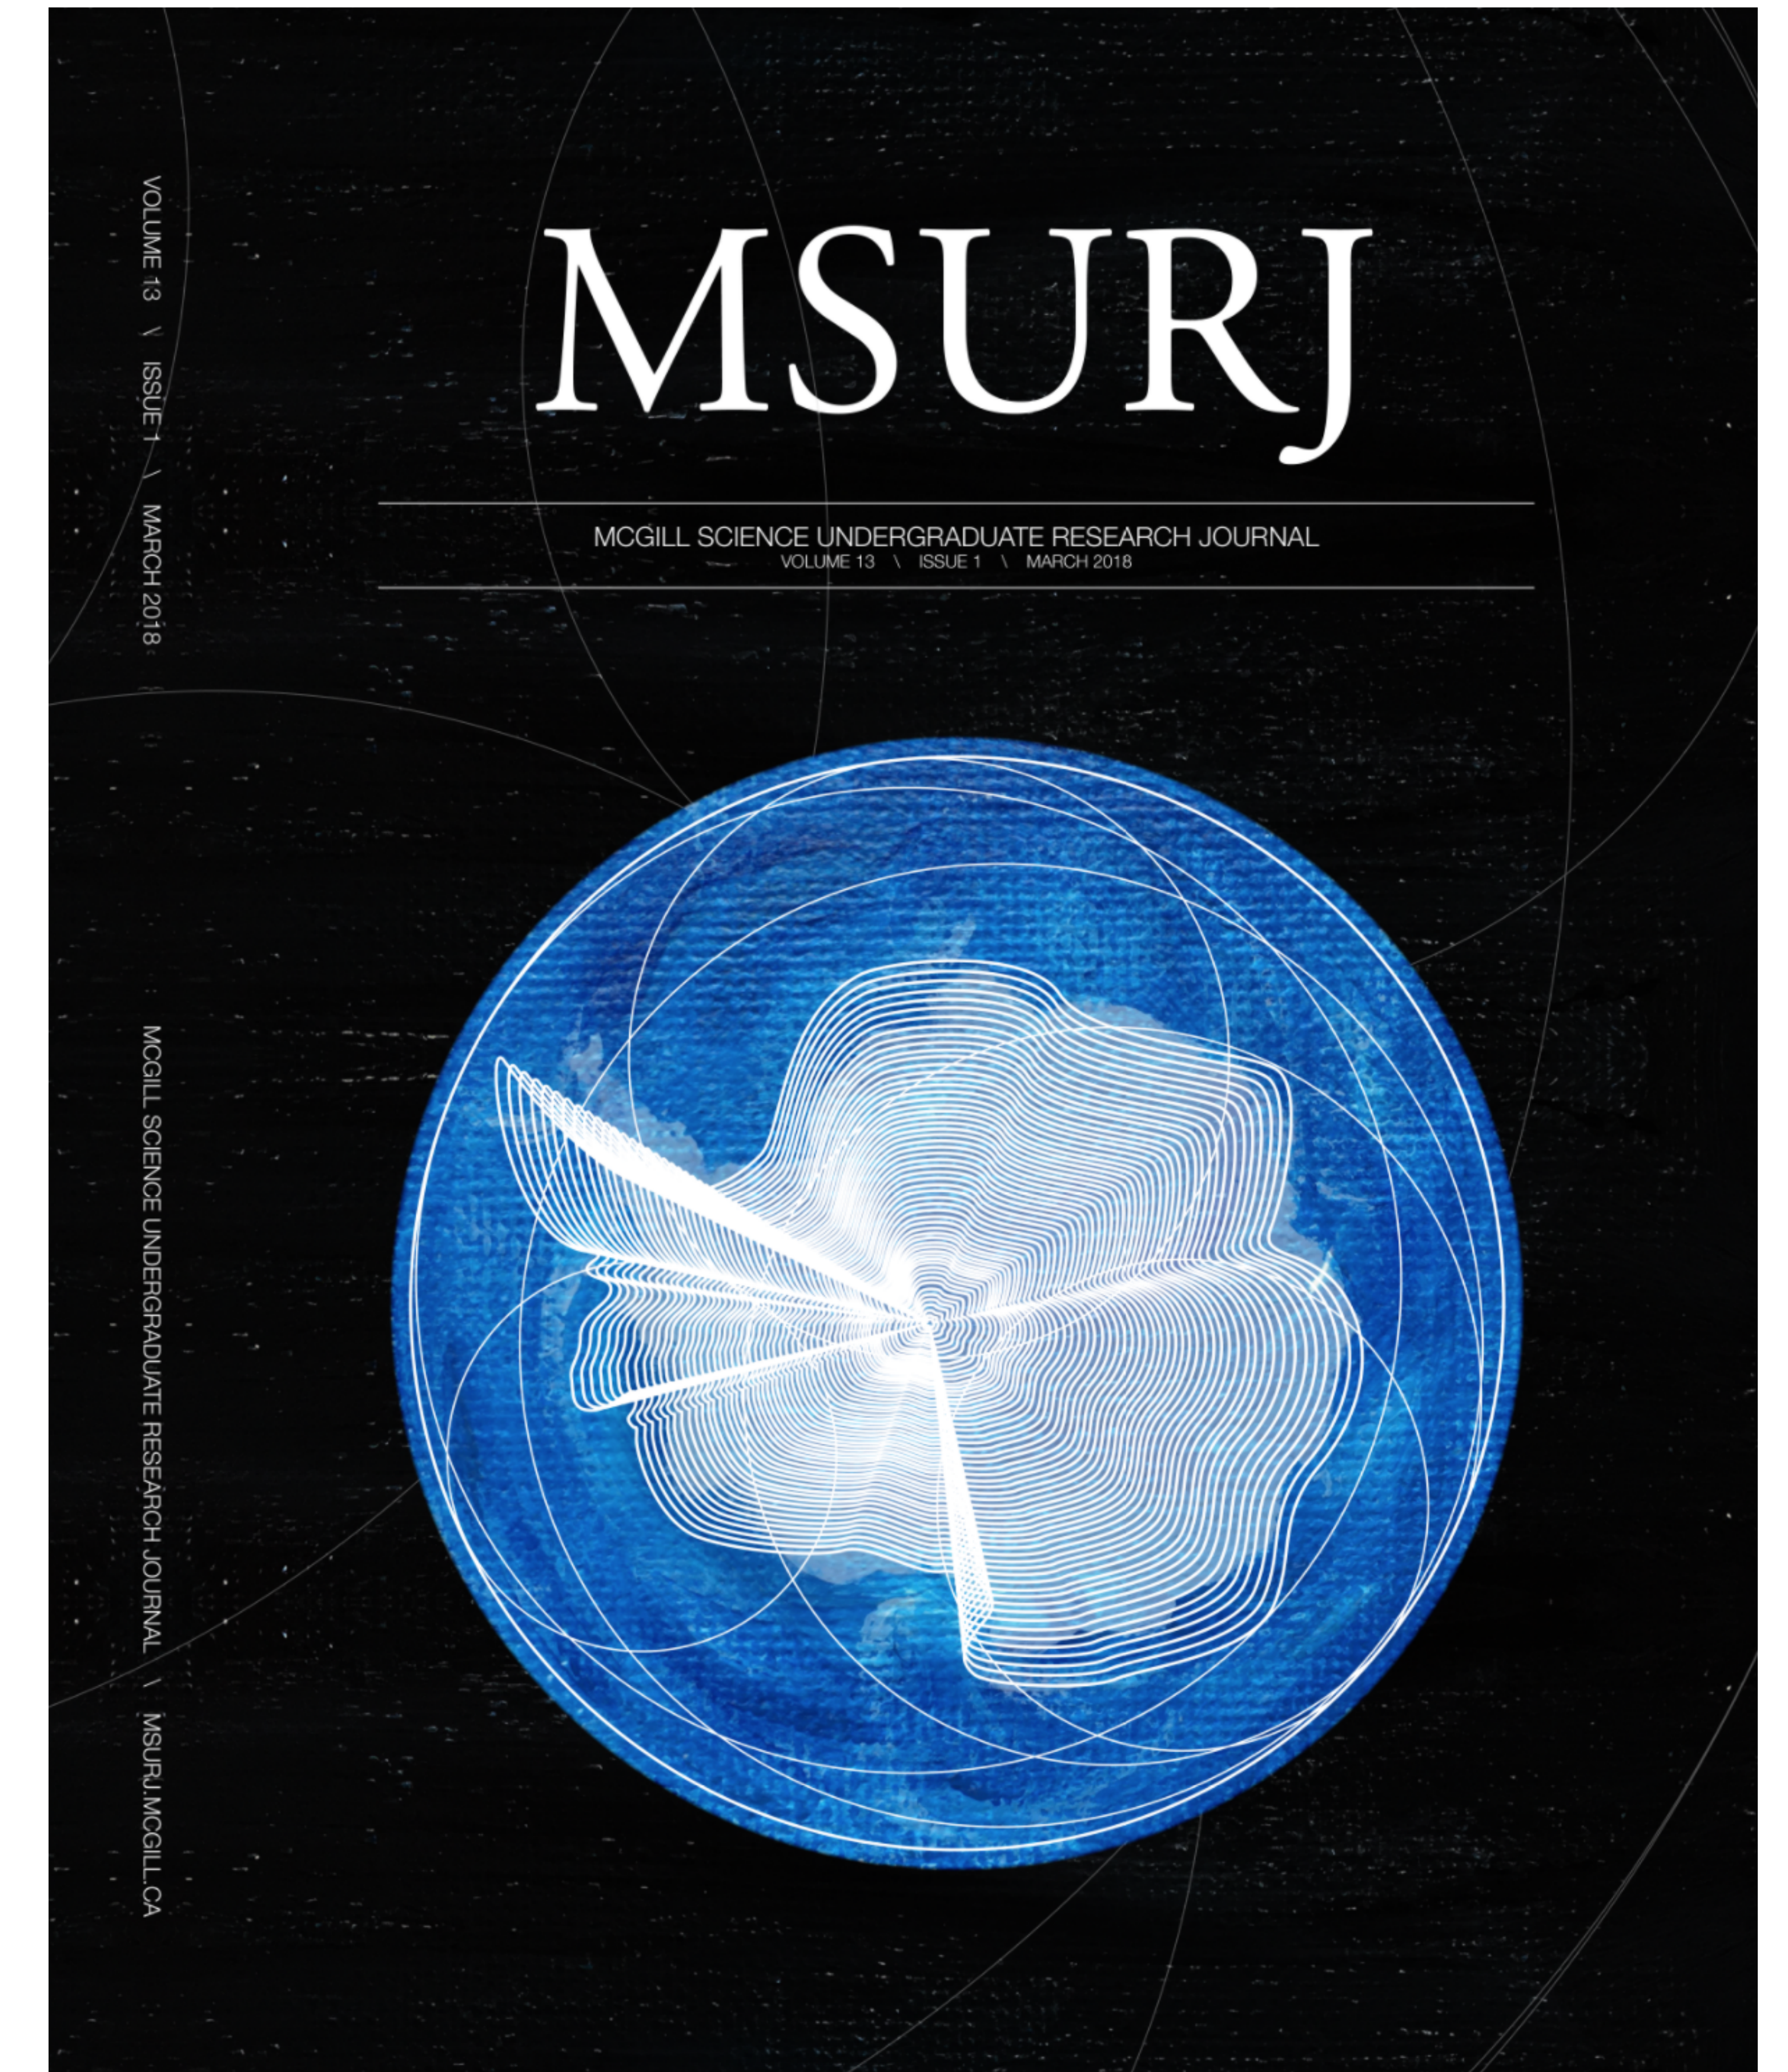

MDF is a showing of student-written, student-directed, and student-performed plays. The posters highlight important symbolism from each play and hint at themes the directors aimed to put forth. The designs were inspired by paper-craft art.

PRINT COVER - MCGILL SCIENCE UNDERGRADUATE RESEARCH JOURNAL

2019

2018

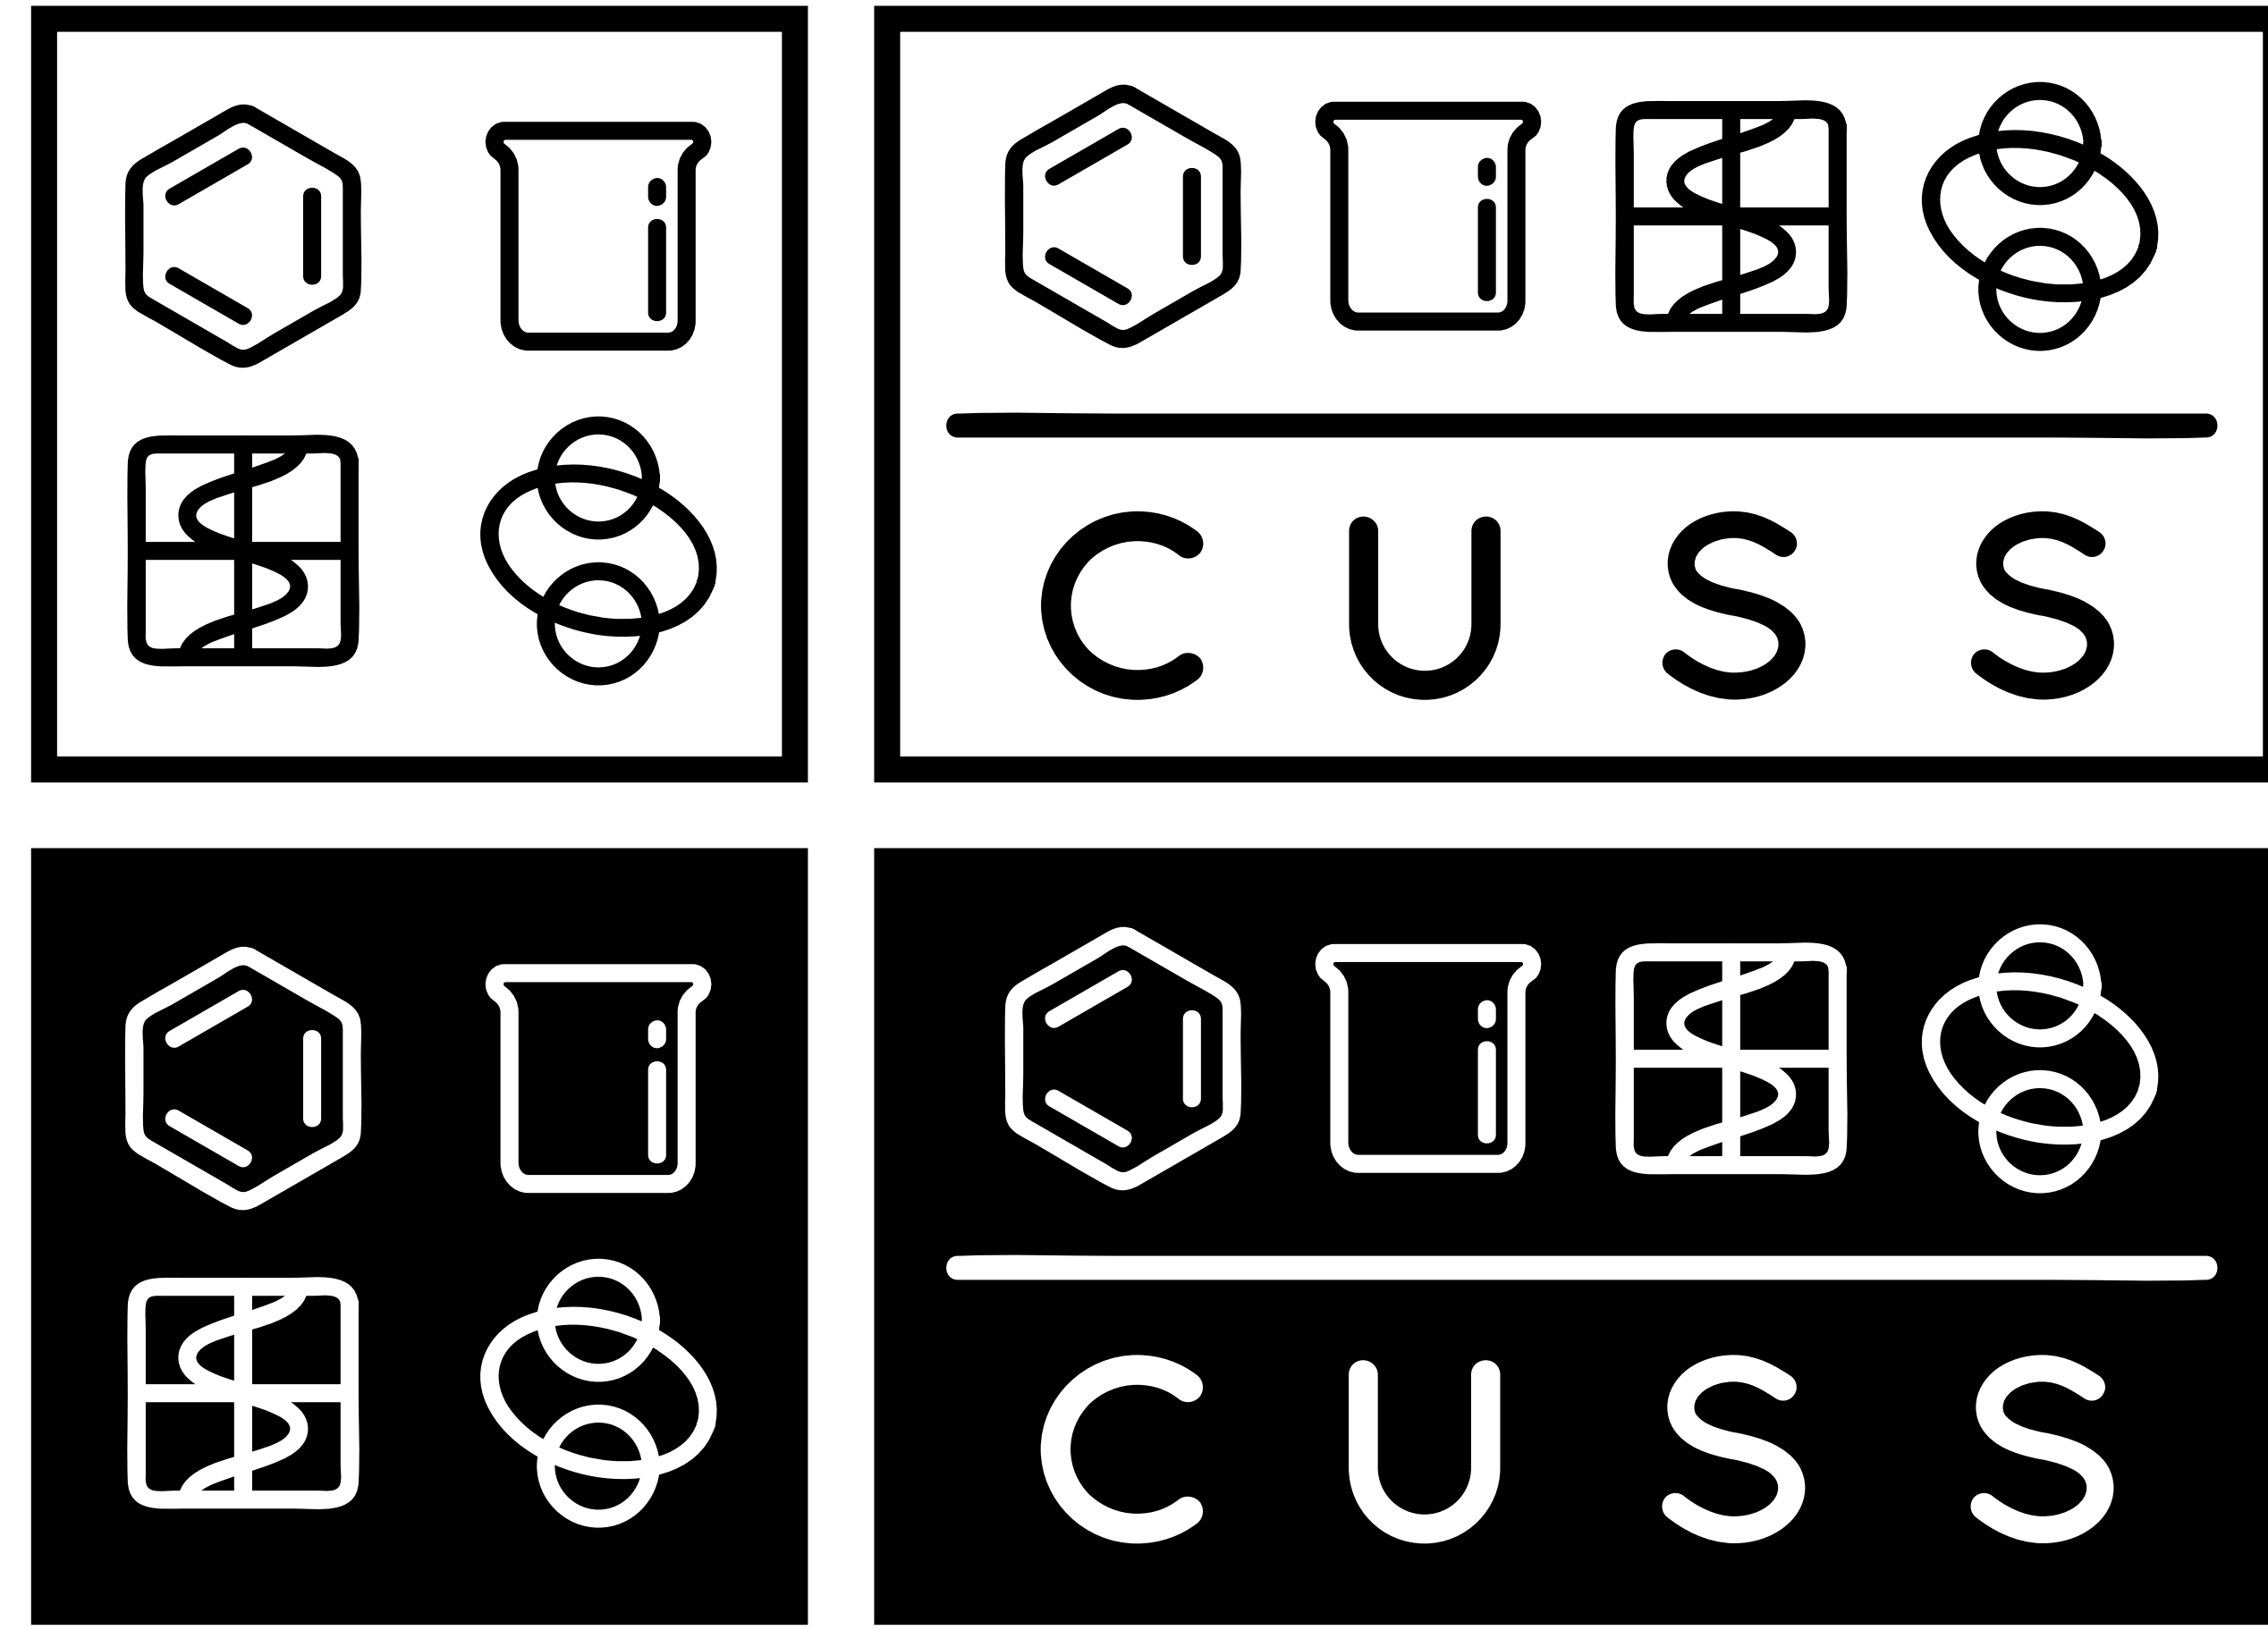

For their journal cover, the MSURJ editors select an article to feature. The design is inspired by the findings in this article.

A mixed-media approach was used, combining acrylic painting and digital design.
