

Bellairs 2007 Tentative Workshop Schedule

Prakash Panangaden

Tentative

	Monday	Tuesday	Wednesday	Thursday	Friday
Morning	K. Martin	K. Martin	Allwein	K. Martin	Pucella
Morning	K. Martin	K. Martin		K. Martin	
Afternoon		Kostas	Coecke	Sadrzadeh	
Afternoon	Kostas	Palamidessi		Sadrzadeh	

Keye Martin has very generously agreed to give expository lectures on the first two days. The talks are rather long and it is my intention that – unlike a typical conference or workshop – we will try to take in details and really understand the material. It would be nice if presentations were prepared in such a way that we could interrupt and get detailed explanations if desired.

I have left part of Wednesday afternoon free for discussions or if Bob wants to keep talking. The other gaps in the schedule (Wednesday morning, Friday morning) are similarly intended for possible extensions of Gerry’s talk or Riccardo Pucella’s talk.

I have not specified precise times: my expectation is that we start at 9:30am in the morning, go for 90 minutes and then have a 30 min break. We then go from 11:30 to 12:30 and break for lunch. After lunch we would restart at 2:30. The afternoon talks would run from 2:30 to 4 and 4:30 to 5:30. On the first afternoon I have scheduled only one talk because we typically need time to stop in town and buy groceries for the week. I propose that for Monday we go from 3:30 until 5:00, with a break, or until whenever Kostas wants to stop.
