

Bellairs 2018: Foundations of Probabilistic Programming and Machine Learning Tentative Schedule

Prakash Panangaden

March 16, 2018

	Sunday	Monday	Tuesday	Wednesday	Thursday
9:15 - 10:45	Kozen	Dan Roy	Silva	Barthes	Sokolova
11:15 - 12:45	Danos	Borja	Mardare	Hsu	Winskel

On Sunday morning at 9:00 I will welcome everyone (from both workshops) to the meetings. **There will be no facilities for overhead projectors or data projectors outdoors; please prepare a blackboard talk.** The afternoons will be devoted to talks from the other workshop organized by Zanasi. This will allow participants to attend talks in the other workshop or work in small groups as they prefer.
