JOHN PEVERLEY IS AN ARCHITECT-TOWN PLANNER LIVING IN 1982 AT 31 ONSLOW GARDENS, LONDON N10 ENGLAND (TEL. 01 883 6885)

(B) Whose wife was MRS CHRISTINA ARMSTRONG who in 1912 was living in Ladies Protestant Home, Quebec, and to whose upkeep CLAV. T.S.A. PEVERLEY, her nephew, was contributing \$40<sup>00</sup> annually? Obviously, widow of a brother of ELIZABETH ARMSTRONG, C.T.S.A.'s mother.

And who was JOHN THOMSON of Quebec who in 1908 became President KING-CROWTHER? SEE: House organ, "King-Crowther News", which has been kept all these years, filed in trunk.

(E) For details of Birthdays, Burials, etc. please SEE: Large Family Tree black ink on white paper filed in REA PEVERLEY'S folder. It began with John Robinson Peverley and Elizabeth Armstrong 1838 and ends with Frederick Ridley Peverley's death 1969.

(F) RALPH ST LAWRENCE PEVERLEY I have been told that R. S.L.P. was very deep ~~fact, probably stone deaf~~ and although he lived in England a great deal never lost his American accent. Both his wife, "Jane" and daughter, "became quite "English". Ralph owned a large yacht which, according to John Peverley, was entered in the "King's Trophy Race". Many of I think I remember being told that "Toady" worked in the United Secretariat in New York.  
In Rea Peverley's folder there is a picture of R. J.-T. taken in England in and also lots of Peverley Trees.
